News from Paul

SOOO. I was in the hospital 11 days. The operation was 4 hours. The operation went well and had some difficulty with recovery. Removal of Foley...12 hours of pain after removal. My stomach and intestines went to sleep and had to have a tube inserted in my nose into my stomach. So they came back to life in a few days and I was ready to come home. Took about a week to get my strength back. So I am on the mend.

The first Wednesday of the month Lunch will be held at:

Hibachi Grill and Supreme Buffet
