Hi Paul,

The picture in this issue of your newsletter; the one at the lunch table, has a picture of Hector Skifter, AIL's first president. He is second from the left. I don't recognize any of the other or any of the people around the CRT in the other picture.

Sorry to see the list of people that died this month I knew them all and they were all good men. Bill Rienheimer was a great tech. When I left AIL I used to have Bill repair my broken TVs. He did a great job at low prices. Bob Morlath and I went to Saint Agnes grammar school and High School. He was a few years ahead of me but his sister was in my class. She and Bob were great students. Bob Hertz and I both worked for John Clarke. He was top notch and always did a good job. Howard Engelson spent a lot of time in my office where we had many meaningful discussions. He had a great family and had a great life.

Thanks for the job you do. It is well appreciated by many AILers.

Frank Edden

Paul,

In the '77 photo, standing in the back row on the left is Amnan Gilaad (sp). Fourth from the left on the lower level is Pat Knetter. Pat should be able to identify more of that team.

Ed Palacio and I enjoy getting you newsletter, it always brings back great memories.

Regards, Bob Lukachinski

Regarding the photo from 2/9/77 submitted by Jim Colotti, I can readily identify four people: Top row Left is Amnon Gilaad, next to Amnon is Bob Howard. Bottom row center is Larry Spear and to his left (right in photo) is Ron Fisher.

Regards,  
Barry Mischna
