Hi All,

Here are a few more holiday greetings I received from...Sandy & Ken Keller "Hope 2018 treated you well. Ken broke his ankle in 3 places on 11/10 while blowing wet leaves, he slipped and fell. Hoping to get a walking boot when he sees the doctor on 12/28. Janice Murphy died 8/16 after suffering a heart attack following a minor surgical procedure. I'm still in shock." To KEN...hope and pray you are healed and back enjoying the good life. Pauline Rudkin "Have a ball this Christmas!" Susan & Frank Vail "I cannot believe a year has gone by so quickly. We have been back and forth to Tennessee trying to settle everything with my mother's estate and the State of Tennessee. We have a lawyer but things are complicated and take time. I do hope you are well after your ordeal this past year. Hoping the New Year will be better and more hopeful. Have a lovely Christmas. Peace and love to you." Rosemarie Harris & Dick Leatherman "Wishing you a Season of Blessings, Health, Wealth and Happiness." Holly Schiller "May beautiful moments and happy memories

surround you with Joy this Christmas. Wishing you health and mobility in the New Year. See you soon. Love, Holly." Thanks to all for sharing their news and holiday greetings. Also for the get well cards, the prayers, phone calls and birthday greetings I received.

P.S. Please let me and Paul know any news re our Ailers when it happens. Thanks.

Here is a little story about a chance meeting. Seems George Sau was in the Huntington Hospital and the hospital staff brought in a patient into Georges room. So they got to talking and they come to find out that they both worked at AIL in the past. The other patient was John Gandia. It's a small world isn't it.
