Nice to talk an AILer. See you next week...

I will be on the air Tuesday's on 146.685 MHZ (PL 127.3) at 12PM EDT.
This is the Great South Bay Radio Club Repeater
Please note that the PL has changed. This is a site that will link the GSB
repeater. Good if you live in the west of the repeater.

Tough to be 91 years old.(*This is not Bob*)

I'm Brand new on this letter. My wife died 4 + years ago and I am dating. I'll soon be 91 and wish that I had more hormones.

I lost touch with Ross Hendricks after he left Oregon. Does anyone know his phone # or address?

After I left AIL I worked for Robotic Vision Syst which is now defunct, and then for Telephonics. I met Ed Kruzoff there -a great guy. Unfortunately he passed on. I speak with Mort Gorowitz occasionally. He is in Florida where his children are. His wife also passed on. My daughters are scattered- FL and TX. I've got no family so If it were not for my social life I would be lonely..

I meet Jess Taub who walks.I also see Bill Walter when I walk at the Huntington Mall. Both, like me, appear to be in reasonable shape. Hope it keeps up. Our old mail clerk in Melville, Dave Warren, followed me to both RVSI and Telephonics where he did spectacularly well, and now is in charge of production at a small company in Bay Shore. I saw Larry Saarica, Rich Migliaccio,Sai Fung and Hank Paczkowski in the last year. Rich has his own company and Sai is president of a company in Commack. Hank works for him and Larry works for Rich. I'de like to hear from all.

From The History of US Electronic Warfare

Mr. John Dyer:

“For me, World War II was a time of tremendous excitement. I tend to remember the successes we had at RRL and ABL-15, rather than the underlying tragedy of it all. Certainly, it was a pretty frantic time. Yet, if people ask me which has been the most frantic time of my life, I have to tell them it is right now — when I am supposed to be retired! I am heavily committed to acting as a fund-raiser for the New Hampshire Music Festival, to help it stay in existence. But that is another story.”

This is the last of the EW articles that are about people of AIL. I guess that some of the pictures may be next.
