Those who show on the repeater today where WA2AXO, W2TE, WA2D, K2JLD.

Nice chat today and we had fun.

I will be on the air Tuesday's on 146.685 MHZ (PL 127.3 and 136.5) at 12PM EST. This is the Great South Bay Radio Club Repeater.

Anthony Difazio worked at AIL for a few years in the shipping department where he made many friends. He passed away early in June from lung issues. He spent his last years in Cornelius NC. He was my sister's oldest son.

Paul -

A good friend died last week - Bob Mesard. I was hoping to visit Bob in September, before returning to Florida. His daughter, Renee, sent the following email.

Dear Friends, it is with sadness and relief that I am writing to tell you that Bob passed away peacefully early this morning. He had been in the compassionate care of the hospice team at Orchard Cove for a month and began failing earlier this week. You all know the burden of Parkinson's and Lewy body dementia, and we are thankful that he is now no longer suffering.

Bob will be buried next to Betty in the Huntington Jewish Center Cemetery, on Old Country Rd in Huntington, next to Mt Golda Cemetery. I wish I could ask everyone to come together to commemorate Bob's life, but the dreadful reality of pandemic restrictions limits us to immediate family at the gravesite. I know you will always have Bob and Betty in your hearts. I am grateful to you all for the kindness and support you've given dad over the phone these last few difficult years.
