Those who showed on the repeater were, WA2AXO, K2RIW, K2TV, K2IZ
A good hour and twenty minutes. Many good subjects today. So if you missed out come on next week.

I will be on the air Tuesday's on 146.685 MHZ (PL 127.3) at 12PM EDT. This is the Great South Bay Radio Club Repeater.

Please note that the PL has changed. This is a site that will link the GSB repeater. Good if you live west of the repeater.

Starting to lose some of that high humidity we had with the soaring temperatures. Makes moving around a little easier.....got used to the heat when we were in AZ but here it is ONLY 97 compared to 115-120 in AZ but it just is so much more uncomfortable. Have been busy trying to get the Town to build a Veterans' Memorial for the past two and a half years.....my persistence has paid off and we should have one by the end of the year.....NOW I have to raise the monies. Went to a Gift Brick program so that has been keeping me pretty busy. Head up to LI in two weeks. Granddaughter is expecting twin boys the end of October and they are giving her a baby shower. Other than that life has been fairly quiet.....lol!!

From Albert Meyer

Al Meyer, his wife Harolyn and his sister in law Edna Marie visited Helsinki and Turku, Finland in late August. They had some time with Harolyn and Edna Marie's Finnish relatives and did lots of touring around the Helsinki and Turku areas. They attended several concerts including a marvelous multimedia performance of the seldom performed Faust Oratorio by Robert Schumann as part of the Helsinki Festival. The Helsinki Radio Symphony Orchestra, many soloists, actors, dancers, etc. Performed along with a huge projection screen video presentation. All in a repurposed Nokia cable factory by the waterfront!

hi Paul

I moved to Lancaster PA almost 5 years ago and I thought I should provide you an update You updated my email address and added my birthday to the list but the location is now Lancaster.

I am living in a 6 building adult living complex called Woodcrest Villa. I get a dinner meal each day in one of 2 dining halls. Each one is accessible by hallways or elevator. No stairs necessary. I always make my own breakfast and lunch although there is a cafe available.

I stopped driving about a year ago and gave the car to my daughter. My son lives nearby and he takes care of food and other shopping that I might need.

I tried to attend the monthly luncheon when I was on LI. I still recognize the names of those who still attend. It is a much smaller group than when started at the old Airport Inn.

From Dot Flanigan

I'm sorry to report that my husband, Leo Flanigan, passed away on June 1st in Milford, Massachusetts. He worked for Airborne Instrument Laboratories (AIL) for 27 years. After he left AIL, we moved to New Hampshire and he worked for Koll Morgen in New Hampshire for approximately 5 years. When we left New Hampshire, we moved to Cape Cod, Massachusetts, where we were residing when he passed.

Please notify the group in your next newsletter.

Sincerely, Dot Flanigan

(I worked with Leo for a few years in the digital department. I am sorry to hear of his passing. Paul C.)
