

Your Host WA2AXO September 22, 2020

Those who show on the repeater today were WA2AXO, K2TV, W2TE, KF2LI. Short QSO today. We talked about the many weeds growing in our yards. Don't know where they're coming from. Some of them are very strange. We're blaming it on hurricanes. We talked about the COVID and wondering if the restaurants we're opening up. KF2LI said he is back out and is having trouble getting around.

I will be on the air Tuesday's on 146.685 MHz (PL 127.3 and 136.5) at 12PM EST. This is the Great South Bay Radio Club Repeater.

AIL Retiree NET NEWS..... [Vintage](#)

Those who showed up for the HF AIL Retiree Net on [09/19/95](#)

WA2AXO..W2MVT..W5TRS.

The Net opened at 12:25 P.M. EDT..

. W5TRS (Hank Keen) reports that he has fixed his power supply in his

SB200. Now there is some other culprit in there not working. So

He will have to go back to the drawing board and look into what's

wrong now.

. W2MVT (Hank Khol) reports all's well in FL. Still hot and humid there.

. AF9Q (Warren Offit) Reports that he has updated a used 386S computer.

He increased the RAM to 8 MB and added a coprocessor, with a

resulting increase of 317% (present) in image processing. This computer

will be used in his observatory. (He is getting ready for some Moon

Projects.) (Note: Maybe he is looking for the man in the Moon?)

Please keep the news coming.....

The first Wednesday of the month Lunch will be held at: (*On hold until further notice*)

Hibachi Grill and Supreme Buffet
