Antenna & Technology Christmas Party 1997
Sent in by Peter McVeigh. Taking a look back..

Thanks for checking in on me. I was just in the hospital to get cortisone epidural in my back. I ruptured disks between my L4-L5 Lumbar vertebrae and the L5-S1 lumbar-cervical vertebrae. All five lumbar vertebrae are herniated with the two bulges being treated with the epidural. I could sit but I was bent at 90 degrees when I stood. I can stand up now, but I still have pain when I walk.

I'm sorry to hear about Harry Lampert's passing Please pass on my sincere condolences to the family.

I hope all goes well with your surgery.

Bob Hertz

Knew Harry well, a gentle and caring soul for all that crossed his path. He will be missed, rest in peace my friend.
